Our Athletic Program

The purpose of the athletic program at Somerset is to develop the skills of teambuilding, commitment, health/fitness, daily routines, and healthy dieting. Somerset offers variety of sports activities for your child. Our program gives students the opportunity to build team building skills, perseverance and dedication. This program helps boost self-esteem within them. Upon graduation, these students will have the opportunity to be equipped with a résumé and experience to pursue a college career in the athletics field.

"Being new to the school, athletics has really helped me open up and make new friends." – Kiara Brooklyn Mora
